“ *Larry was a friend of mine for around ten years. He was a person you always hoped would be your partner in bowling and card games, because he excelled at both. He was a person who was always thoughtful of others, and even more importantly -- he was a person who cared. Larry will be missed.*

“ *Larry was a special person and it was my privilege to have known him and call him friend. He was one of the kindest, most positive, considerate people I've ever met. He left the world a better place for having lived in it. - Tammy*
