“ *Deloris was a wonderful friend for many years. Although I have not seen her in years she was never forgotten for her true friendship to me. I will always remember her and her smile. Rest high on that mountain Deloris and I will see you again one sweet day. Pamela Golden Blaylock*

Always willing to help a neighbor in need, Your thoughtfulness and watching over John during his final days will always be remembered. You are gone from sight but not forgotten! Rest in peace

“ *On behalf of myself and the residents of Lookout Pointe, we send our deepest condolences to Deloris' family. She was such a special part of our LP family and we were all devastated to have learned of her passing. One of the many great memories I will always have of Deloris is her love for her family, especially her grandbabies. :) Her love for the Lord was evident and she spoke often of how much she loved Him and often witnessed to others about His love for them. Because of this memory, I know I will see her again someday in Heaven. Love and prayers to you all.*
