“ Proverbs 18:24

“A man that hath friends must shew himself friendly: and there is a friend that sticketh closer than a brother.”

King James Version (KJV)

My family uprooted from our home in MS & moved to Trenton in the early 80's. My parents believed this was God's calling, but it wasn't an easy one to answer. We were outsiders, strangers. We had no friends & no family short of a 5 hour drive.

God sent the Morgan family to us. They opened their hearts & their home to us. They gave us a priceless gift, the gift of friendship & love. We needed friends in the worst way, and this family always stuck beside us. Times were not easy while we were there, but we sure had some good ones. 99% of those good memories include the Morgan family. I don't think they will truly ever know how much they mean to us.

Bro. Leonard used to tell me that he was going to throw me in the lake. He always had a joke & a smile, but he was very serious about his love for his family and for God.

My visits to Trenton won't be the same. I'm sure going to miss him, but I know he is waiting for all of us in Heaven.
