“ *Lois I know you loved my grandfather so very much. I will always cherish and remember our times together. I will never forget your spunky personality. I always loved your chicken and dressing you made for Thanksgiving.*

“ *I met Ms. Lois when I first started to work at NGCA about 8 years ago. I would describe her as beautiful, sweet, and sassy, but always a lady. I never saw her when she wasn't nicely dressed, makeup on and hair done up just so. When she would call for an appointment, I would try to schedule her as my last appointment of the day so we could sit and talk for a while without being in a hurry, I really enjoyed our talks and I'm going to miss them a lot. When the holidays rolled around, she always called and ask what kind of cake Julie and I wanted, we would tell her she didn't have to bother, but she wouldn't take no for an answer. She would bake us each a cake and say they were our Christmas presents. Best presents ever, absolutely delicious.*

I considered Ms. Lois to be a very dear friend, and I will never forget this sweet lady; she will always be a part of my fondest memories. Enjoy the afterlife Ms. Lois and know that you are dearly missed here on earth.

“ I had the privilege of meeting Sister Lois many years ago. Then a few years back I would get to meet her later husband. It has been a while since I have talked with her. She certainly will be missed by everyone who knew her. My thoughts and prayers are with her family and many friends she leaves behind. James Helton, Gateway Baptist Church Rossville, Ga.
