“ *Carolyn, I'm so sorry about your Daddy. I feel so bad for you and your sisters. I know you loved him so very much. I can't imagine the grief. We do have that gift of seeing them again one day. In a perfect body and no more sickness & worry. Praise the Lord! I love you & still pray for you and your family.*

“ *Carolyn Jo. I was saddened to read in todays paper of the passing of your daddy. I know he must have been very proud of you and I know you'll have many good memories of him and your family as days go by. Surely wish I could have made the visitation but thinking of you.*
