“ *My thoughts & prayers go out to my bestfriend Lisa & her family at this sad time for the loss of her mother, Louise. May you find peace in the days & weeks to come & know that she is no longer suffering anymore. She has her wings now. She can spread them & fly to that glorious place in the sky. Cherish the memories you have of her forever & in your heart she will always remain. Live your life so that she may still live through you. I love you Lisa! I am so sorry. No words can take away your pain, but know that you will always be in my thoughts & prayers along with the rest of your family. With Deepest Sympathy, Amy*
