“ *We wanted you and your family to know that we feel the pain of your loss. We have fond memories that Margaret shared with us in regards to my mother when she was at NHC Healthcare. You both made my mother's stay more pleasant and she loved you dearly. Sonny, Margaret had the best caregiver that anyone could ever have thanks to your giving and loving heart. You meant so much to everyone that you took care of while at NHC. May your friends support you in every way and help ease your pain. I know you hold many wonderful memories with Margaret and you can cherish them all because they will always remain in your heart. Please know that we care and are thinking about you and your family.*

“ *Sonny, Skip and Andy - So sorry to hear of the death of Margaret. I have very fond memories of her and you all from when Gary and I lived in Trenton. My thoughts and prayers are with you at this difficult time. The thought of knowing where she is will bring you great comfort in the future, as it did me when Gary passed. Please remember that God is good, and near to the brokenhearted.*
