“ This saddens my heart, this sweet lady literally saved my life when I was in middle school. I was sitting in class, starting choking, she sent me to the water fountain not realizing that I was actually choking, I guess I was gone too long when she came looking for me. I was already turning blue when she found me, so she did the heimlich maneuver on me & saved my life. She was also my mother's Sunday School teacher when she was young. Mom said she would go to church with her Aunt Guinell & cousin Violet! Good memories! My sympathy & prayers go out to the family. She truly was an amazing person!
