“ *I remember as a young girl going to Aunt MaryLouise house. It was such fun to drive up the mountain, lots of times we would get stuck and have to walk the rest of the way. She lived way back in the sticks. Going to her house as kids were some of my fondest memories. Such fun. As a grandma myself now it was still so enjoyable to go visit. I will miss her wisdom and her compassion for others. She was the strength in the family. I remember my own mother crying to her apologizing for not being able to see her again. That was heart wrenching. I promised my mother that we would have her memorial service with her sister. And we did and it was wonderful. Thank you all for that. I love you all. We are family. RIP Aunt Mary Louise.*
