“ I loved the picture of Mary Ann as it is actually the way I remember her. I know she had not been that well in several years. The last time I saw her was in 2018 the year Jerry died. I would think of her and the family often and remembered when we were young married couples. I remember being at their house one time to play cards and they wanted to play Rook --which I had never played. Jerry had played at the community center all the time and all three of them, Mary, Charles and Jerry were very good players. That was the first disagreement that I remember Jerry and I having. I ended up crying as I was Jerry's partner (big mistake) and he was upset because I didn't play the right cards. I never would attempt to play Rook ever again. But we did have some good times together and I have good memories of those times. I know she loved her family and you will miss her very much. Much love and prayers for you in the coming days/months/years.
