“ *Max was the absolute best husband I could have ever asked for!!!! I miss him every single day and I loved him dearly and still do! Being married to Max was always an adventure and I never knew what we were going to do next but it was always something fun and I miss that and I miss hearing his stories and I miss hearing his voice and the smell of coffee!! He loved his coffee and I don't drink it so every time I smell coffee it reminds me of him but there's not many things that don't...I hope you are flying high sweetheart and I will see you very soon!!!! love always your wife Tina*
