“ We loved aunt Melba soo much!! She was a very precious woman and child of god Who believed in prayer!! I always have remembered the testimony of when she would say how that there was only one who turned back to praise the lord!! And that song she loved I cast my bread upon the water a day or 2 after she had passed I had my gospel music playing not knowing that song would come on but it did and I was touched because that was one of aunt Melba’s favorite songs!! Kelby remembers the many times he spent in their home making wonderful and funny memories with Aaron and sherry she will never be forgotten for her compassionate heart!!

“ Sis Melba was a dear friend & a cousin by marriage, Bro Bethel was my first cousin (Brenda Bowman). Sis Melba was a loving child of God. She would call & keep check on me (Brenda) with my health conditions. She would make her way thru a crowd just to hug my neck & to check how I was doing or even stop at my house to see me. She always went out of her way to see about others. We love Sis Melba & we will have her testimonies to help carry us thru trials. We love her & she will be gratefully missed, but will live in hearts & memories. We pray for her family for the Lord to comfort their hearts. God bless you all.

“ *I'm so sorry for your families loss. I also have lost a very special person in my life. More like a family member. Melba was always a person that I could go to and she would always help me thru with it no matter what it was. It would be a very sad day on a normal day but with the COVID-19 Quarantine It is even much sadder. I wish I could be with the family now but under the circumstances It is impossible . I will truly miss Melba. I love you all.*
