“ I am absolutely devastated and heartbroken at the loss of my Uncle Mike. He was literally the best uncle a girl could ask for. I will miss our football conversations and fishing conversations and our conversations in general. He always encouraged me to put God first and if I would do that then everything else would fall into place. He was literally my favorite and the best uncle a girl could ever ask for. I will miss him so much. Christmas and family gatherings wont be the same without him. I love you forever and always
