“ *Granny, where do I begin. There are so many memories I share with you. From birthday parties, paper dolls, cookouts, holiday get togethers(favorite was Christmas and the fourth). My favorite memory though is the smell of yours and pawpaw's home in the winter. The smell of firewood burning in the cast iron heater, filling the whole house with warmth and happiness. You and pawpaw always gave me great memories. I love you both and I'm so happy y'all found each other again. Rest easy granny.*

“ *Mom loved to cook, I will miss her cooking. The time we spend on the kitchen together preparing dishes. Her carrot cake, pecan pie, my favorite was beef stroganoff... I will miss her and out time together.*
