“ We are so very sorry for your loss. Jay and family, you continue to be in our thoughts and prayers. She was kind, quick witted, and had a beautiful smile that lit up her whole being. She will be greatly missed.

The Virtuous Woman"

*A virtuous woman is one of a kind
The Bible says she is hard to find.
Her price is far above rubies, which are rare,
She must be handled with extreme care.*

*Her husband knows she's a precious gem indeed,
He knows that she is willing to please.
Her children treat her with honor and respect,
They know that she always does her best.*

*A virtuous woman does all that she can,
She's always there and stands by her man.
Though she's humble and meek, she takes no mess,
You can count on her to pass the test.*

*You will know her when she passes you by,
For she always holds her head up high.
She's courageous and strong, a dignified lady she is,
You will never know that she has shed many tears.*

*A lady of class and elegance too,
She will let you know what you will need to do,
To come up to her standard, which is very high.
For she is headed for her home in the sky.*

*So to the virtuous women of today,
Always remember the part that you play.
Just be Christ like, for He is the one,
Who gave His only begotten Son.*
