“ *Pam was a wonderful woman and I know she will be missed by all who ever had the chance to know her. My prayers go out to all her family especially Virginia. She loved Virginia more than anything in this world and would do anything so that Virginia never had and hardship, she one time threatened to put me under the Tennessee River if I ever crossed her daughter. This world needs more people in it like Pam. This is a terrible loss.*

“ *I spent many joyful days with Pam at Big Sandy. She was such a sweet friend. We lost touch with the passage of time but I will always treasure those carefree childhood days. Rest in peace friend and may your memory be a blessing.*
