“ *Barry,*
So sorry for your family's loss. I worked with Patty 20 years ago at the ESE office with all the good old folks, Helen, Debbie B., Lin, Bill, Dr. Wright - you know the bunch. We had a great time back then with that group, and Patty was so terrific to work with. Probably you also may remember my sister Ellen Goldstein/Haffield from Dr. Gehrig's dentist office - or - her son Jason Haffield as he worked with the ambulance company. Wishing you peace and comfort in knowing that Patty touched so many lives in great ways.

“ Dear Barry,
Sending my heartfelt condolences to you and your family at this sorrowful time.
Patti and I shared so many good times during our years at ESE. We worked hard but always managed to find much humor along the way. We were fortunate to work with such a great group of folks. Take care of yourself.

“Patty was my sister and my friend We shared alot and always knew that we had each other to listen and care. Barry, you were Patty's strength. Through-out your marriage and especially these last two years you have been so totally devoted and attentive to her every need. You were her rock and her strength. She told me many times how wonderful you were to her and I knew without a doubt that as long as you were with her, she was happy. Barry Wayne and Maria-Patty also told me how great you both were to her. Maria , she loved running to shops with you cause"you could always find things and knew where to go".She would say that she didnt know what they'd do without you both. Barry Wayne, your mom has always been so proud of you. She would tell me what a good husband and dad you are and how she and your dad could always depend on you. She also told me how special your one on one times were to her. She said that you were so patient and kind. Marc. Cole and Miranda--I want you all to know that your Nana loved you all very much and that she was so proud of you! She told me how you all would come over and help her. She always said she has good grandkid We all will miss her very much. We love all of you and please know that we're here for you.

“ As the days come and go and the world moves on, I know you're still here, you'll never be gone. On the night the Angel came and took your hand, We cried as you left for an unknown land. But Heaven rejoiced as you came into sight, For your soul was a diamond, shining so bright I didnt get to tell you how much i truly love you i can only pray that you knew i did. She was a wonderful Sister Im proud to say she was mine! May God be with Barry And Barry Wayne and Family And comfort them on their Loss.My Love To You all
