“ I sit here in shock over such unexpected tragic news. My heartfelt condolences for all of Pats family. I have only great memories of the time I spent with Pat at Applied. He sure was one of the great CE's in our group and so softspoken. Hope he is getting to listen to Lynard Skynard wherever it is that comes next.

“ Pat was the first person that I worked with at Applied Materials in 1994 in Austin, TX. He was a great guy with a great sense of humor. I will always happily remember those days. RIP my friend! You will be missed.
