“ My heartfelt condolences to Pam, Jeff, Josh, Jacob, James and LeBron. I'm so sorry about Paul. Paul has been my best friend since 1961, I loved him so very much, we have been through good times and bad, he loved his family and he truly loved my beloved Judy Thompson Harmon!!!! She was a wonderful person and they made a great couple, and cherished Pam. There are so many funny stories we shared thru the years, he was a jokester, loved playing jokes on people, loved to tease people. He loved country music loved to dance, although he wasn't very good at it but gave it his best shot. He also would help anyone that needed it with no thought of himself. I will miss him just as I have missed the best friend that I was blessed to have, Judy . I hope that now they are together again. Goodbye for now my friend we shall meet again some day when JESUS calls me HOME also. RIP my sweet friend.
