“ *Diane was a very special lady, I loved very much, a sweet friend. Always smiling, friendly and loving. She had beautiful hair and face. She is just one of those people who made life more enjoyable by just being in her presence*💕💕💕👉.

“ To all the family, I am so very sorry to hear of Diane's passing on to Heaven. I knew it was inevitable but no one is ever ready to say goodbye or hear the news of their precious loved one passing. It's not often in life that you receive such a rare and precious gift as special in so every way as Diane. She could make you laugh til you cried and still keep on laughing and could give the sweetest smile from across the auditorium that warmed your heart. She was not one to put on a show or say something she didn't mean- what you saw and heard from Diane was the way it was and she had such a motherly way of saying it with a love that was undeniable. I don't know how I will be able to look across the pews to where she was usually positioned in her little scooter without a tear or two falling but I know there will come a smile because of all the love she shared and the warm memories I cherish. May God comfort and bring peace to each one of you until we all meet again on Heaven's shore and never again have to part..

Diane, you were the coolest, the funniest, and the most precious friend and sister n Christ and I love you dearly. So enjoy Heaven; I'll see you soon when my work is completed. Love you Betty Ann Chapman
