“ I always grew up calling Phillip “Bo”. Somehow that has passed down to his son now. To me he will always be Bo. He was like a brother to me, growing up our families were at each other’s house almost every weekend. Years later after we had both grown up my Dad had to be hospitalized and my family was very concerned. One night, it was getting pretty late in the evening the curtain opened up and there was Bo. He had worked all day and went home to change to come to the hospital. When he got there he hadn’t just thrown on jeans and a T-shirt, he had put on the best he had. Had on a dress shirt and dress pants. Anyone that knew Phillip knows that was not his normal attire.lol That visit thrilled Dad, he would talk about it all alone over the years. Just to know that he had taken the time to dress up and come late after work showed the respect he had. I will never forget how my dads eyes lit up when he came. I love you my dear adopted brother and will never forget you.

We are sorry to hear of Philip's passing. Our heart goes out to his son, bro Bo Guffey & Philip's siblings. He was raised in a good Christian family. We knew Philip when he was in church, after that we knew of him. We wud see him out in stores & he was still that kind person we always knew. Our prayers go out to his family & his friends. God Bless. Bro Anthony & sis Brenda Bowman (Tiftonia Holiness Church).
