“ *I went to school with phillip ,and we grew up in the same town ,he has been a Facebook friend of mine for years,always knew how to make me smile and laugh, he loved the lord ,and loved Arnold Murray as I did also,he is actually the only other person I knew listened to him and we used to conversate often about Arnold Murray, I know he is happy to be in his real home, and not stuck here in an un well body, he wouldn't want us to be sad ,he would want us to rejoice and remember all he tried to teach us about the lord, until we meet again brother, I will sure miss you ,my friend.*
