“ I am very sorry for your lose. Rich and I went through boot camp together in Great Lakes Illinois Sept 1982. We did not get stationed together but had good times throughout book camp and he was a funny guy. I do have a photo of him, me and another sailor from boot camp in the barracks. “ I'm so so sad to hear about Rich. I will always remember his love for animals and how he taught the kids to work with them. The Lord must have needed someone to help with caring for all the little pets in heaven.

“ Cindy, I didn't get to meet Rich, but I met you as you came to Omega Harvest each year to share Noah's Ark with our children and adults! What a beautiful concept God gave you both so many years ago. I saw a posting one time when you were both dressed in a Biblical time period, with kids and grownups surrounding the animals and enjoying the atmosphere you created. What a wonderful way to share your faith! I pray God will give you strength and wisdom as you continue in your journey with Him. Anita Silva.
