“ *My brother was the most sensitive and caring person of all of his siblings. I came in 2nd! Haha! He loved with all his heart. When we were adolescents he would agarvate me about my music. We all would argue over chores even though there was a day by day schedule. Some memories I can't put on here!! I can share them with family. I'm going to miss my brother so bad I can not express it. Gods got my brother and that gives me peace.*
