“ *Linda,*
How can one possibly find the words to say when something like this happens? "Sorry for your loss," just does not and cannot express the sincere depth of our thoughts and feelings of condolence and our prayers for you and the rest of your family during this time of substantial loss. Losing a loved one is never easy. It must be particularly difficult to have lost someone with whom you have spent so many years. I pray that you will be comforted as only God can comfort you with his loving arms around you, keeping you in that perfect peace that only He can.

“ Linda, I am so sorry; I had no idea. My heart is broken. Doc and I always had such fun picking at one another each and every time our paths crossed. He was a fine man with a huge heart for his family, his church, singing, sports and any other passions. He will be greatly missed. Thoughts and prayers for you and the family. Love you. “ You and your family are in my thoughts and prayers. May God hold you close with peace, comfort and direction. We have no doubt where he is now singing in that Heavenly choir. May you find comfort knowing that he has only gone on a short journey and one day soon you'll see him again.

He was my dorm roommate. He was only 15 yrs old. We became fast friends for the past 59 yrs.

“ Through the years, my very first memory of Dion has remained very dear to me. Ellis and I had just gotten engaged. The time had come for me to meet some folks that were VERY important to him, Dion, Johnny, and their wives. I was so nervous. When the door opened and we entered, I could see Dion sitting two rooms away, with the BIGGEST, most welcoming and heart-full-of-love smile that I had ever seen. He put me at ease immediately, and I knew I was accepted. He had a way of making a person feel important and special. Social convention dictates that the women work together in the kitchen, so I did my duty and joined Jimmie and Linda there, but that day I secretly really wanted to be with the guys! Dion remained that same way to me for the rest of his days and I know I am among countless others who will feel a heavy void until we can meet again in Heaven. And when I hopefully go where he is, I'm sure I will see that same big, welcoming, heart-full-of-love smile that I saw all those years ago at John and Jimmie's house. We love you, Dion!

“ *Dion's gentle nature and love for others came through in everything he did, from his love of family and church to his work at Combustion Engineering/Westinghouse Electric to his work with Boy Scouts. He mentored many engineers early in their career, helping them learn and grow. He will be missed. Jan Stewart Ivey*
