“ *Roberta was a very special sister, and friend. We lived so far apart I truly missed getting to visit her as often as I'd have liked to. She was so happy when I sent her an e-mail saying, "Good morning Sis". She was always so happy to hear from me by phone, e-mail or mail. She was so very special to me, and I have so many precious memories of her tucked away in my heart that I'll treasure always, and forever! We always had so many things to share and laugh about. She never had any children, but she had so much love in her heart for her doggies. She loved them so much; and they were her babies. She loved planting so many flowers and she enjoyed the hummingbird's. She had 5-6 feeders up on her porch. She loved people...So no matter where she went she never met a stranger, as she was so full of "LOVE". I've thanked God so many times for giving me a very loving sister like Roberta. No matter what I gave her...She was always so very grateful. I know God has prepared a special place in Heaven with the Angels, as she was a "Special Angel".*

Oh Lord, I'll miss her~ Her forever sister, Janet
