“ *I loved this precious man after God's own heart. Ron was a man who loved every one he met and treated them as his brother or sister in Christ with a great big smile. A man whose smile was always on his sweet face and who loved me unconditionally as Jesus would have him to. I am selfishly saddened at his death, along with all who knew him, but we rejoice with him and his precious family in knowing he started shouting and dancing when his eyes opened and he beheld Heaven and His Lord and Savior Jesus Christ, and I'm sure he's still dancing and praising today and forevermore as he was amazed at his glorified body, no longer in pain or distress, but now perfect and whole with 2 full length legs to walk and dance on those streets of gold. My heart and prayers go out to you Betty, and to Kim and Buddy, Jerry and Tiffany, and all your precious family. I know we all miss him so much, but so thankful to know we will meet again and never more have to part. I love you all and am here for support anytime night or day and I mean that! Love you, Betty Chapman*
