“ *Words can't express how heavy my heart is right now. It has been almost 3 months since you went home to be with your grand daughter Madison. You taught me so much and I will never forget the long nights in the garage working on those motors. I love you Dad and I would do anything if I could tell you one more time. No matter what some people think everyone knows you have 4 kids and 4 grand kids. You always told me not to worry about what people say just what I know is right. So that is just what I have done. Nothing can ever take the memories away from me. I love you and I hope you and Madison are watching over me, Tristan and Celeste. We will always be your family no matter what others think.*

“ *Sorry for my friend.
To all Ronald's family: Ronald was a hard working guy that not many could match. Gifted in many ways. Good attitude, always looking out for someone else even when he didn't feel like it. I will remember many hots days working with Ronald, his sense of humor and hearty laugh. Be proud to call Ronald son, brother, Dad or husband. I'm sorry for your loss. Janet Burt*
