

## Ronnie David Davis, Sr.

September 23, 1949 - February 24, 2021

Ronnie David Davis Sr., 71, of Fort Oglethorpe, passed away on February 24, 2021 at home surrounded by family.

Ronnie was born in Centre, Alabama and grew up in Jacksonville, Alabama. He attended Jacksonville High School and Jacksonville State University.

Ronnie was preceded in death by his wife, Betsee Stone Davis, his parents, Jimmy and Madeline Lindsey Davis and his sister, Johnnie Sue Warmack.

He is survived by his two sons, Ronnie (Kim) Davis Jr. and Jonathan "JD" (Rachel) Davis as well as by his greatest joy, his grandchildren, Carter, Anna Belle, Finley and Cooper Davis. He is also survived by his girlfriend and companion of many years, Debra Sullivan. Ronnie is also survived by his brother, Jim Singleton, sister, Dot Green, and several nieces and nephews.

Ronnie spent most of his career in finance and sales. During his retirement, he gave to his community by working on the Fort Oglethorpe Downtown Development Authority Committee and volunteering his time at the 6th Cavalry Museum and LFORA recreation.

Ronnie never met a stranger and if you were from Alabama, you can bet that he knew someone in your family and you would get a Roll Tide greeting. His

greatest joy came from his grandchildren, from births to birthdays or picking them up from school to watching them participate in sports, he was always present, always there. His love for his family was unwavering and without judgment.

In lieu of flowers, pay it forward, help someone in need or just treat your fellow man with respect because that is what Ronnie would have wanted us all to do. Expressions of sympathy may be shared at [ryanfuneralhome.net](http://ryanfuneralhome.net).

A private service will be held at a later date. Arrangements are by Ryan Funeral Home & Crematory, Trenton, GA.

“ *He was a great friend and community leader. He had a huge impact on the 6th Cavalry Museum, the city of Fort Oglethorpe and youth baseball. He always said "Yes" when asked to help and did so much behind the scenes that nobody knew about. He helped for all the right reasons, not to be acknowledged or thanked, he helped for the betterment of others, not for the personal glory. He turned this "Yankee" into an Alabama fan. I'm glad he got to see his "Tide" win the Championship one more time. We've lost a good one who will be missed by so many.*

*Chris, thank you for the kind words. He truly enjoyed his time working with the museum. He was the most selfless man and I had the pleasure of calling him my father.*

“ While he was in Covington, Louisiana he was one of my closest friends, playing golf and driving to Tuscaloosa in his gigantic Pontiac to watch LSU and Alabama play. He has always had a special place in my heart, and I'll miss him!
