Great loss for a great man who loved his family and definitely enjoyed his grandchildren. He was a loving grandfather who loved them and spoke of them often. That is the love of a proud grandfather. RIP Rick.

“ *Ricky was the best cousin a person could have always full of fun laughter and being wild. He never missed a chance to try to scare us (regardless of how little we were) but he was great fun. I have such wonderful memories of being with him and he has taken a piece of my heart with him. I am glad he is no longer in pain and I know he has hugged my mom for me . He will be missed beyond measure. Lots of love to everyone in the family , Ellen Richards*
