“ It so sad that you are gone. We had tried to meet up and reconnect after all these years and never got to. You were the first person to keep my secret all those years ago when I found out I was pregnant with my oldest. I will miss you sweetie.

“ So many memories, from her taking me, Stephenie and Stephen to Land’s Bakery for a biscuit on our way to school when I was 16 to recent years of me taking her breakfast Monday-Friday and sitting on the porch with her here in Rossville to make sure she ate something good for her that day. She was like a momma to me in so many ways. Her last words to me was “I love you and you always have my heart” and I feel the same way about her.
