“ *Robin, Megan, and Ben, I am so, so sorry for your loss. Robin, I can't imagine what you are going through, but I know God can give you the strength you need. Meghan and Ben, I have been where you are and I realized in reading the obit that Steve and my Dad went to be with the Lord at about the same age...Dad was 61. That is so young based on my current perspective. Keep Steve's memory alive for both yourselves and the next generation. Robin, I don't even know what to say, but please know that my heart is aching for you and that we will be praying for you in the days to come.*
