“ *There is a hole in our hearts that was once filled by our Nana Sue. She was a light in this world and she is deeply missed by her extended family, Lysa, Eric, Destiny, Rhapsody, and Joanie. No words can express fully the connection we shared with her over the past thirty-two years. She meant so much to all of us. Thankfully, we have beautiful memories of holiday and birthday celebrations, cookouts, and loving words shared. She will always be held fondly in our hearts and we wish her well in this, the next phase of her life's journey. We know Heaven is shining brighter in her presence.*
