“ *My name is Judy Parker. My maiden name was Smith. I just found out today, April 19, about Susan's death from the Mercer alumni magazine. Susan and I lived on the same hall at Mercer and she roomed with a friend of mine from home, Julie Miller. We became quite good friends while in school and stayed in touch all these years. Unfortunately it had dwindled to once a year Christmas cards and letters. I wasn't worried when I didn't hear from Susan in December as her "holiday" card/letter was often months late.*

Please accept my most sincere condolences. Susan will be missed by me.
