“ Dear Family,  
I am sadden to learn of the passing of Ted and wanted to let you know that all of you are in my thoughts and prayers. As a fellow 2003 Agri-Leader Graduate, I really enjoyed getting to know Ted during that year and to stay in contact from time to time. My last contact was a brief visit with him at a show in Perry and we talked about our families and Agri-Leaders. I am praying that the Lord will surround each of you with His love, comfort, and strength moment by moment and that the wonderful memories you have of Ted will bring their own source of comfort in the days ahead.

“ Ted was a dear friend, educator and mentor to so many including me. We spent many hours riding up and down the interstates of Georgia working together in Cooperative Extension. The beef industry and Cooperative Extension has lost a true icon. When you lose someone very precious, no one else can really know all that you feel, but please know that many caring thoughts are with the family during this time of sorrow. Keeping you close in my thoughts, Keith

“ Dearest Carla, Boys, Jack, and Jane, Our hearts are heavy for all of you. What a shock! Ted was such a wonderful leader and example to the 4-Hers in Floyd County, including our Karoline. We will hold those precious memories close to our hearts. In recent years, his presentations at the Polk County Cattlemen's Association were always so informative and helpful to us. We are so pleased about the scholarship fund; his influence with the youth of Georgia will live on through his giving spirit. God bless you all, Kenny, Dondra and All the Casey Family
