“ *Teresa was my best friend. There are no words I can say to describe the heaviness my heart is feeling. From our days hanging out almost 24/7, going thru the ritual of becoming blood sisters, and surely driving our parents crazy, we were together in our hearts. My thoughts and prayers are with Danny, Kristy, and the family. Although I am 1000 miles away, I am there for you any way I can* ❤️
