“ *I loved my Uncle Tommy very much. We had alot of fun together when I system with Grandma and him in Missouri. I remember him dripping my of the porch in the deep snow. He would have to come get me out because it was over my head. Rest in peace Tommy.*

“ *It has been many years since my cousin, Tom, and I spent time together. However, growing up we had many great times in Georgia and Missouri. It is always sad to lose a loved one but important to remember they were loved and that is what makes life worth living.*
