“ *I knew it even in the first days and months of our relationship. I may not have gotten 20 or 30 years with you, but our love for each other was pure and unconditional. I hope I took good enough care of you, my darling husband. I'll be there when my chores are through....*
Love,
Me

“ *I never will forget the days I had with Tim sitting on his Mom and Dads porch or on our deck just talking. The times I had the honor of watching him play his guitar on that porch. His smile, it was contagious! I'm gonna miss you so much, Tim, but I know you're smiling and watching over us from Heaven! I love you protect and guide us from up above sweet angel!*
