“ Finding out about the loss of Tina was like losing a part of myself. She was absolutely one of the kindest people I’ve ever met! Her and I had a lot in common in life. I met Tina at church about 8 years ago. I’ll never forget the times we shared. They are so precious to me. My life went in a different direction than it was when we first met and she was one of my strongest supporters. She came and comforted me during one of the lowest points of my life. She even texted me to check on me and my family multiple times a year. Earlier this year (2025), I visited her and brought her some of my birthday cake. It was a very special themed birthday cake that I had made for my 25th birthday. My condolences to the family. Her daughter Jennifer was Tina’s world! She always talked about how close they were and how much she loved her.
