“ *It's said that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. I have only met Travis through Silentground. Travis was Silentground. You will be missed! RIP. “ I met Travis on Silent ground back in 2014 . He was a good friend and I will miss him very much.

May you find comfort
in knowing that

when God calls
His children home,

He leads them
along a shining path

Into a place
of love, light, and peace...

Into the everlasting joy
of eternal life with Him.
May the God of healing
ease your pain,

May the God of grace
lift your grief,

May the God of love
comfort your heart.
May the God of hope
fill your soul with peace always.

With Deepest Sympathy

I knew him to be a man who pursued a vision of sharing, a community leader who nurtured and maintained his group with steady hand regardless of the ebbs and flows of his personal circumstances and other challenges he met and mastered.

*May Travis rest in peace and may you find solace.
