“ *To all the family. I took care of Mrs Gifford. I quickly fell in love with her, and was a pleasure and blessing for me to get to know her. I am so very sorry for your loss, I know how greatly she will be missed. She loved you all, she talked very highly of each of you. My prayers are with you all.*

“ *To Leon, Eddie, and Leonda:
Our sincere sympathy to you in the Home Going of your dear wife and mother, and my precious aunt. So sorry we can not be there as we are out of the country at the present. She was always there and as long as I can remember she has been part of my life and a very good friend to my mother. Now they are together, and I am sure they are catching up on everything that has happened since my mom's home going. We love you all and are praying for you as you say good night today. I do know the hurt and the loss you are feeling now. May God bless and keep you all.
