“ I miss my mom so much she was always ready for the beach she was so smart and a friend to everyone she met. Now she is gone and all I have is heartache and I should have done this and I should have done that and wishes that will never come true. I love and miss her soooooo much. I am glad that she isn't hurting anymore

“ Vicki was closest in age to me of all the Norwood cousins and the one I most looked forward to seeing at the Norwood reunions when we were growing up. It seems that we were both a little shy, so it typically took us a bit to warm up to each other, but I remember playing outside together & enjoying the camaraderie. Thank you, Vicki, for the sweet memories.

We've hardly kept in touch through the years, but I can tell from Vicki's Facebook that she loved her family very much. I pray that each of you will continue Vicki's legacy of love by loving each other well.

Goodbye, sweet cousin. I will see you later!

“ I am going to miss Vicki. We started our mornings with her flavor coffee and our morning laughs. She would always go by my cubicle making faces at me, that made my day. Rest In Heaven Vicki. I am going to miss you. I will keep each and every one of you in my prayers!

“ I am so sorry to hear about Vicki's passing! I have known her since our days together at Fairview Elementary School. She was always a very sweet person and always had a smile on her face. You the family are in my thoughts and prayers and we will remember her and our other classmates we have lost at our upcoming reunion in November.

“ *I loved my Sister dearly. We have always loved the beach, our favorite place to be. We have enjoyed our time together. I am so glad she isn't suffering anymore & I can't wait till we will all be together again on those streets of gold. I have a peace in my heart but yet my heart breaks at the same time. I pray for comfort for her kids & her husband. God works in different ways & maybe this has all led up to getting the kids back closer. We are never promised tomm. so live your life as if it's your last day! If you don't know God I pray you get down on your knees & talk with him today & ask him to come into your heart & life so that you can have eternal life with him!!!!*
