“ *Clem, and I are so sorry for your loss. Virginia was such a wonderful, kind, and loving lady. My heart is broken. I was a child when she married my cousin Eldrege, and the first time I met her, I fell in love. She was always wonderful to me. I remember spending a week with them when they lived in the big woods, it is a memory I have never forgotten. I am so sorry I have not gotten to see her for such a long time. I love all of you, and will be praying for each of you. I am so thankful we can see her again. God bless each of you, and give you peace, and comfort.*

“ Sweet Virginia...I will never forget the feast you would always make when my daddy would bring us to y'all's home, granddaddy would sneak to the kitchen & put salt on his food..(it seemed like it took hours when I was a kid)...you watched *Gone With The Wind* several times with me growing up...I always remember staring at that huge Magnolia tree in the front yard. You were an amazing woman & set the beat example for our generation. Thankful you're at peace. Praying for your family.

Love,

“ I’ve known Virginia most all my life. She was such a good and kind soul. When I was 10 my mom (Grace Patterson) died of cancer. A while before mama died Virginia would come to our house and do her hair. She and mama would laugh and talk...she was one of many blessings that brought joy and laughter to mama with what short time she had left. Thank you Virginia for your many Godly acts of love.

*Prayers for all the family.
