“ *Bill and Mike, I did not know that Virginia had passed away until Saturday afternoon. We passed by just as funeral was ending, and I saw her name on sign. Instantly memories started flooding back. Our families spent many good times together. I still think of your Dad when I think about barbequing pork chops...he was a master at it! Mom and Virginia would fix the sides and mix up the ice cream. Lots of memories. May God be with you at this time and comfort you.*

“ *The first time Mike took me for Sunday dinner after church it was Easter. New navy dotted Swiss dress. Leaned against the kitchen doorframe. Couldn't move. George had painted it the evening before and that enamel paint wasn't yet dry. Virginia was mortified. It was a memorable first impression.*

“ Bill and Mike we have fond memories of your Mom and Dad. We enjoyed being in their home many times and not only could she make a great cake but she always made a Buttermilk pie when we were over. She knew it was a favorite of ours. Such a precious lady whom we loved very much. Praying for you two boys and the family.
