“ *Prayers for the family.*

Just wanted to let you know that your mother would call the ministry line daily for prayer for the family and friends and herself. We all loved those daily phone calls with your sweet mommas voice on the other end. She would sometimes say she's going to get off phone now and go make us an egg sandwich and she would always end each phone call with love you darlin! Lol We will miss her dearly but we know she's with our Heavenly Father now! We will continue to pray for your family.

Love to all of you from the staff at Ted Shuttlesworth Ministries.

“ I did not know sister Philips personally but interacted with her through prayer over the years with my family at seed of faith ministries in east ridge Tennessee.

The world doesn't understand prayer. Only a child of God understands how important asking their Heavenly Father and believing they receive really is. I believe in this we know that sister Philips always went to the lord with her desires, her needs and her thoughts and her love.

To have faith in God is to trust God. To trust God is to know God. When you trust God whether it's good or bad you know that it's working for your good. Because you know that God was in Jesus and Jesus said that he came to give us life and it more abundantly.

I believe that sister Philips has no more questions. She isn't worried about anything. She's rejoicing because having her faith and her trust in the lord Jesus Christ has paid off. He struggles, her ups and her downs to follow after Jesus has caused her to open her eyes in glory with him.

I believe if sister Philips could come back right now she would tell all of that there's only one way to the pearly gates. There are no cross roads in this path called straight. There's only one way to the pearly gates. That way is the lord Jesus Christ.

Welcome home sister Philips, and look for me, cause I will be there too!

“ *Sister Waveolee,
You were our precious friend.
You were our dear sister-in-Christ.
You were our beloved prayer partner.*

*You were special.
You were unique, in a thousand ways.
You were Holy.
You were loyal.
You were true.*

*We know you fought a good fight.
You finished your course.
You kept your faith until the end.
We know that you are with Jesus, now, beyond all doubt.
You are free from all pain, suffering, heartaches, & tears.*

*We can only imagine the joys that you are experiencing, now.--Walking, singing,
dancing on streets of purest gold--Praising our Saviour throughout all eternity.*

*Just a little longer, and, we plan to join you.
Nothing we leave here will hold a candle to the mansion and joys that Jesus has
prepared for us!! Oh, How very beautiful Heaven must be!!*

*We love you, Sister Waveolee. We plan to keep holding on to Jesus--and, yes,
our dearly beloved sister, we shall meet you on that beautiful shore, in the sweet
by and by.*
