“ *The last time I talked to Keith was right after Roger went missing in 2012. He called me very concerned. We talked for over an hour about everything. I always loved Keith. He was just a few months older than me. I remember going to your house Mary Jo when we were little and playing. I am truly sorry for your loss.*

“ *I'm so sorry for your loss. I have a lot of fond childhood memories of Keith and growing up at Richard City and on South Pittsburg Mountain. I always loved him. He seemed more like a nephew than a cousin. I will remember him always*
